Job Description

Description of work: It is about 5 weeks of planting, the holes have already been made. The planting is (most of the time) sitting on a chair that is on a cart behind the tractor and then just putting it in. No heavy work. The owner also helps with this.

Extra: We provide all materials such as rain gear, boots etc. because it is all outdoor work. On this farm it is seasonal work. No gipsy or gipsy-like persons. It should not be a problem for you to work together with the owner of the farm.. The best is : - That age is in between 25 and 40 years old; - That from every 2 persons one person can speak and understand (some, more then just a little bit) English.
